

The next Board of Directors meeting is Monday, December 4th at 12:30 PM at 58 Grey Fox Lane. **The meeting will include a public hearing on the 2024 budget, and a discussion on 2024 rates.** For additional information regarding the meeting you can call us at (970) 468-6256 or email to admin@eastdillon.com, or visit us at www.eastdillon.com.

Water Bill Payment Options

- A **check** made out to East Dillon Water District and mailed to P.O. Box 4526, Dillon, CO 80435. **PLEASE REMEMBER TO PUT YOUR ACCOUNT NUMBER ON YOUR CHECK!**
- Sign up for **ACH** (direct payment). The billing amount will be deducted from your bank account approximately 15 days following the billing date. The sign-up form is available at www.eastdillon.com.
- **Credit Card** payments. Credit card payments can be made using the State of Colorado payment system. Access the online payment system through www.eastdillon.com. The State system has a nominal fee for a credit card payment. The fee amount will be indicated to you as you are making the payment prior to the final payment authorization. You will need your account number, account name, property address and billing amount to process the credit card payment.
- **Electronic check** payments. You can initiate a direct payment from your checking account using the State of Colorado payment system. Access the online payment system through www.eastdillon.com. A choice between a credit card payment and a discounted payment from your bank account will be provided. The State fee is \$1. You will need your account number, account name, property address and billing amount to process the electronic check payment.
- Payments can also be made in person during posted business hours at the Administrative Office located in Summit Cove at 58 Grey Fox Lane, Dillon, Colorado. **Cash** is accepted, but we are unable to make change.
- Payment initiated electronically with **your banking** online system. Payments you originate from your bank come to us by check and they are posted to your account as received through the US Mail. **PLEASE MAKE SURE YOUR BANK HAS THE PROPER ACCOUNT NUMBER and DISTRICT MAILING ADDRESS ON THE CHECK OR IT MAY BE RETURNED!**

EAST DILLON WATER DISTRICT

October 2023

HIGH BILL?

The current billing period from July 1st through September 30th includes the irrigation season peak usage for most customers.

Some customer's high water bills result from automated irrigation systems that water landscaping every day regardless of precipitation or the landscaping's water requirements. Landscaping can have a beautiful summer appearance with sensible watering. Turf grass should not be watered daily as too much water encourages shallow roots. Please do not water in the middle of the day when heat and wind can evaporate the water being applied before it can be used by the plants. We ask all our customers to please review and observe our voluntary water restrictions, which include NO watering on Mondays and Thursdays. Unintentional high water usage can also occur from leaks in irrigation systems.

2023 WATER RATES

The East Dillon Water District bills quarterly and in arrears. This billing is for the 3rd quarter of 2023.

The 2023 base rate and usage rates are shown below. The base rate does not include any water usage. The rates are based on covering operating costs and to allow sufficient reserves for major infrastructure repairs and replacement.

2023 Quarterly Water Rates

Base rate	\$ 61
Usage (per 1,000 gallons)	
0-23,000 gallons	\$ 2.20
23,001-50,000 gallons	\$ 6.16
Over 50,000 gallons	\$12.32

The base rate in Summerwood above the booster pump station is \$126 per quarter.

ESTIMATED WATER USAGE?

Does your water bill have an "ESTIMATED WATER USAGE" note? If yes, it means we were not able to read your meter remotely, nor can we monitor your meter for unintended water use. Please visit our website <http://www.eastdillon.com/> and check out the Meter Repairs page for more information on our meter replacement project.

If you have had your meter repaired recently but still see an "ESTIMATED WATER USAGE" note on your most recent bill, it is because we did not have a valid beginning of period meter reading. In most cases this will be resolved the quarter following the meter repair.
